

Spray Adjuvants & Wetting Agents				Comparative Product Examples	
Description	Key Benefit(s)	Applications	Packaging	Product Name**	Company
Expedient					
Esterified Vegetable Oil (Ethylated) and Nonionic Surfactants	Widely used with leading Herbicide products, Expedient has excellent surface penetration capabilities and is suitable for use with most agrichemical products and in a wide range of spray conditions.	Herbicides Insecticides Fungicides Defoliants	20L 110L 1000L	Hasten Kwicken	VCC SST
AAttach					
Highly refined Mineral Oil and a high concentration (~20%) of Nonionic Surfactants	High loading of Surfactants improves retention, spreading and penetration of a wide range of agrichemicals.	Herbicides	20L 110L 1000L	Uptake Enhance Tribute Inbound	Dow SACOA SST VCC
AAlia 700					
Acidifying surfactant containing Soy Phospholipids and Propionic acid	Acidifier to reduce effects of alkaline water. Surfactants to promote uptake and reduce fine droplets.	Herbicides	20L 110L 1000L	LI-700 Companion VC-700 700 Surfactants	Loveland SST VCC Various
AAAs 420					
Highly concentrated liquid ammonium sulphate solution	Ammonium Sulphate counters the adverse effects of water hardness. Can assist with compatibility of otherwise incompatible herbicides. AAAs 420 is a liquid solution which reduces the risks of nozzle blockage.	Herbicides	20L 110L 1000L	Liase Assert	Nufarm VCC
SUPA-WET TX - Wetting Agent					
Nonionic Surfactant for agricultural use	Nonionic surfactant for use with Glyphosate actives on grasses.	Herbicides	20L 110L 1000L	Wetter TX Trilogy Deluge TX Wettox TX	Nufarm SST VCC Alphakem
SUPA-WET 1000 - Wetting Agent					
1000g/L Nonionic Wetting Agent	General purpose nonionic wetting agent. Alcohol alkoxylate type.	Herbicides Insecticides Fungicides	20L 110L 1000L	BS-1000 Spreadwet 1000 Surewet 1000	Nufarm SST VCC
SUPA-WET TAE 850					
A formulated Tallowamine ethoxylate surfactants	Designed for use as a wetting agent for Glyphosate formulations including 960 salts	Herbicides	20L 110L 1000L	Glysowet	SST
SUPA-WET OS					
100% Organo-silicone Nonionic Superwetter	Assists retention of spray droplets and provides excellent spreading and coverage on target surface and penetration of active ingredients.	Forestry Horticulture Herbicides Foliar Fertilizers	1L 5L 10L 20L 110L 1000L	Pulse Brushwet Penatra	Nufarm SST Gulf Ag
BioAAid MSO					
Esterified Vegetable Oil (Methylated) and Nonionic Surfactants	BioAAid MSO has very good surface penetration properties which enhance the active ingredients performance. Particularly suited to summer knockdown weed control.	Herbicides Insecticides Fungicides	20L 110L 1000L	Kwickin / Activoil Plantocrop Infiltrator Protec Plus Banjo	SST SACOA VCC Grevillia Nufarm
BioAAid Liquid Assist					
Refined Mineral Oil and Nonionic Surfactants	Excellent bulking and anti-evaporant agent for use in non-selective situations.	Herbicides Insecticides	20L 110L 1000L	Broadcoat Antievap Empower	Caltex SACOA VCC
BioAAid VOC					
Highly refined Canola Oil and Nonionic Surfactants	Enhances spray droplet deposition on the target by improving retention and reducing evaporation rates.	Herbicides Insecticides Fungicides	20L 1000L	Synertrol Endorse Supa Stik	OCP SST Agrichem
Horticultural Spray Oils				Comparative Product Examples	
Description	Key Benefit(s)	Applications	Packaging	Product Name**	Company
BioAAid Summer Spray Oil					
Highly refined Petroleum Oil (USR >97%) and Surfactants	Used by growers for the management of insects and disease in their crops. Suitable for use throughout the year when used according to the label.	Horticulture Viticulture	20L 205L 1000L	Summer Spray Oils	SACOA Caltex VCC
BioAAid Winter Dormant Oil					
Refined Petroleum Oil and Surfactants	Designed for use only on trees and plants that are completely dormant, this product provides cost effective control of certain insect pests.	Horticulture Viticulture	20L 205L 1000L	Winter Spray Oils	SACOA Caltex VCC
