General Low Volume	100 to 200 mL	
Glyphosate, Metsulfuron on Gorse/Bracken Fern on Brushy/Woody Weeds	200 mL 100 mL Hand gun 200 mL Boom spray	

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

SUPA-WET OS is an organosilicone based surfactant containing a unique blend of various polymers. SUPA-WET OS is a highly effective wetter/spreader/penetrant. It is effective with most agricultural chemicals unless otherwise stated on label.

MIXING INSTRUCTIONS

1. Mix pesticide product with water when tank is about 30% full.
2. Then when tank is nearly full add SUPA-WET OS
3. Complete filling tank

While SUPA-WET OS has been proven to be a highly efficient surfactant, timing, weather conditions, methods of application, and/or mixture with other chemicals not specifically recommended are beyond the control of the seller. Therefore, the user should carefully observe spray deposits, rate efficiencies, compatibilities and effectiveness in initial applications and adjust the adjuvant rate accordingly.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used container.

STORAGE AND DISPOSAL

Keep out of reach of children.

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight.

Triple-rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point.

If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.

SAFETY DIRECTIONS

Keep out of reach of children.

Do not get on skin or on clothing. Causes eye irritation. Do not get in eyes. Harmful if swallowed. Avoid breathing vapour or mist. Avoid using product in a manner as

to directly, or through drift, expose workers or other persons. Always follow the precautionary statements on the label of the pesticide(s) that are to be used with SUPA-WET OS. Applicators and other handlers must wear goggles or a facial shield; chemical resistant gloves such as nitrile rubber > 14 mils or neoprene rubber > 14 mils; coveralls or long-sleeved shirt and long pants; shoes plus socks and mists filtering respirator. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use wash goggles or face shield, gloves and any contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (phone 131126). If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor. Additional information is listed in the Safety Data Sheet.

CONDITIONS OF SALE

The use of SUPA-WET OS being beyond the control of the Manufacturer, no warranty expressed or implied is given by Australian Adjuvants Pty Ltd regarding its suitability, fitness or Efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and Australian Adjuvants Pty Ltd accepts no responsibility or any Consequences whatsoever resulting from the use of this product. © registered trademark of Australian Adjuvants Pty Ltd.

The following hazard and precautionary statements are in addition to, and must be read in conjunction with the full product label:

Harmful in contact with skin. Harmful if inhaled. Causes serious eye irritation.

Read label before use. Use only outdoors or in a well-ventilated area.

If medical advice is needed, have product container or label at hand. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
