

MARK IT RED

CONTAINS 150g/LT RHODAMINE DYE

DESCRIPTION:

MARK IT RED is a concentrated liquid spray marker containing a food grade dye which is completely biodegradable. **MARK IT RED** is designed for use around footpaths, pond edges, driveways, garden beds, etc.

CAUTION: Must be taken not to let overspray of solution to enter waterways, streams and ponds.

APPLICATION:

MARK IT RED is used to assist the identification of sprayed areas and to minimise overspray. **MARK IT RED** is designed for use through backpack sprayers, broad acre sprayers, motorcycle spray tanks and general garden sprayers.

DIRECTIONS:

The rate of application is between 5 to 10mL per 10 litres of spray solution. This rate can be increased to achieve a stronger colour.

CLEANING:

MARK IT RED may stain spray equipment. It is easily cleaned out by using 100g in 10 litres of water of **KABOOM**.

HAZARD STATEMENT: Harmful if swallowed. Causes serious eye irritation.

SAFETY DIRECTIONS:

Keep out of reach of children. Read label before use. Do not breathe product, mist, vapours or spray. Wash hands, face and all exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective clothing, gloves and eye/face protection.

FIRST AID: If medical advice is needed have product container or label at hand.

IF SWALLOWED: Immediately call a POISON CENTRE or doctor/physician (Australia 13 11 26).

IF ON SKIN (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs get medical advice/attention.

IF IN EYES: Rinse copiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing. If eye irritation persists get medical advice/attention. Call a POISON CENTRE (Australia 13 11 26) or doctor/physician.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Wash contaminated clothing before re-use.

DISPOSAL: Dispose of content/container in accordance with local, regional, national and international regulations.

For further information refer to the Safety Data Sheet for the product.
